

2009 National Black Deaf Advocates Conference “Moving to a Higher Level: Change Starts from Within”

CALL FOR EXHIBITORS OPPORTUNITY

Dear Community and Friends,

On behalf of the National Black Deaf Advocates (NBDA), the oldest and the largest consumer organization of minority Deaf and Hard of Hearing people in the United States. African-American deaf and hard of hearing leaders who were concerned that deaf and hard of hearing African Americans were not adequately represented in leadership and policy decision-making activities affecting their lives established NBDA in 1982. Since the beginning of the establishment of two chapters, today NBDA proudly has developed 32 chapters in the United States.

We would like to introduce the benefits of your organization by inviting you to exhibit at the 2009 National Black Deaf Advocates Conference held in Scottsdale, Arizona from July 28 – August 1, 2009.

NBDA is a non-profit, tax exempt, consumer organization, supported by its members and others interested in furthering NBDA's goals. NBDA holds a Biennial National conference. Attendees at the National conference will be people of all races, all ages, representing students, professionals, federal and state employees, advisors, faculty, educators, youth, Sign Language Interpreters, families and friends of people with hearing loss.

This is an excellent opportunity for you to display your services or products to conference members who are instrumental in implementing change and using new products and services.

Past conferences have been successful and we look forward to making 2009 conference the most unique Conference! If you have never participated in the NBDA conference then you have missed an exciting opportunity to enhance your business through direct contact with the deaf and hard of hearing communities. We are expecting 150 attendees or more to attend the conference this year.

Much of the success of our past conferences is due to the generosity of our Exhibitors and we thank you and look forward to working with you all again.

If you are interested in becoming an Exhibitor at our 2009 conference, please contact me at conf.exhibit@nbda.org.

If you would like more information about NBDA please view our website at www.nbda.org.

Sincerely,

Sharon D. White
